## SKILLS

c , c++ , python, java , javascript,  
notejs, express js,  
mongoDB,SQL,  
React,Bootstrap ,PHP,  
HTML.CSS.  
machine llearning, os ,  
networking , cryptography,  
c c++.

## HOBBIES

football   cricket  
coding

## EDUCATION

**lakes international school  
bhimtal**  
bhimtal,uttarakhand  
2019 – 2020  
12th  
GPA: 9.5/10

## PROJECT

### image encryptin and decryption using java (July 2022-July 2022)

Guide: MR.Sashi kumar sharma : here we make a GUI-based window where we can encrypt and decrypt our image, text, and video completely. here we are using the concept of a primary key and here we using a symmetric key. this project is designed by using core java.

### A Potfolio Website (Nov, 2022 - Jan, 2023)

Guide: MR.Shobit kumar : we make a portfolio website where anyone can see our information on a single webpage like a resume, project, academics, and other activities

## Responsibility

A MEMBER OF WE-CODE :- it is a coding club of the graphic era where we are organizing a lot of competitions like a hackathon, coding challenges, etc. here we are teaching our juniours various topics for ex:- I teach DSA, DBMS .so as a member of we Code club my responsibility is always be in touch with our members and discusses upcoming program, class and also if I am teaching something and then try to teach in a very easy manner so that everyone can understand the problem and their solution
