ACADEMIC DETAILS

Year	Degree/Exam	Institute	GPA/Marks(%)
OCT, 2020 - present	B.TECH in Computer Science	Graphic Era University bhimtal	8.810/10
2019	$12^{th}, C.B.S.E$	Lakes international school bhimtal	82.60 %
2017	$10^{th}, C.B.S.E$	Lakes international school bhimtal	95.76 %

PROJECTS

- **A.I BASED NEWS API** (Feb, 2023- May, 2023) :
  Guide: MR.Shobit kumar :
  here we are usig react , news API .here we are using material UI for UI designing for making responsive U.I . and here we are also using alan studio for given command to alen . Alan API is a conversational voice AI platform that enables developers to create intelligent voice assistants for their apps.

- **A Potfolio Website** (Nov, 2022 - Jan, 2023) :
  Guide: MR.Shobit kumar :
  we make a portfolio website where anyone can see our information on a single webpage like a resume, project, academics, and other activities. also here we add backend also , if anybody wants to send any query then he/she can communicate.

- **IMAGE ENCRYPTION AND DECRYPTION** (May, 2022 - July, 2022) :
  Guide: MR.Sashi kumar sharma :
  here we make a GUI-based window where we can encrypt and decrypt our image, text, and video completely. here we are using the concept of a primary key and here we using a symmetric key. this project is designed by using core java.

TECHNICAL SKILLS

- **Languages-> c++ , Java , C , javascript , php, python ,Tenserflow .**
- **database-> SQL , MongoDB.**
- **Full Stack Web-Devloper -> html, css , React, nodejs, expressjs.**

SCHOLASTIC ACHIEVEMENTS

- **400+ QUESTION ON GFG+LEETCODE :-** being student of CSE, I have a lot of interest in coding and I have did 400+ questions on online platforms like GFG and LEETCODE. solving these questions greatly improved my problem-solving skills. while solving these questions, i also paid attension to the consistency and timing.

- **District Level Football Player :-**I like to play football very much because playing football involves mental work as well as physical work.my position in football was a midfielder. our team was runner-up in a district level football competition.

POSITIONS OF RESPONSIBILITY

- **A MEMBER OF WE-CODE :-** it is a coding club of the graphic era where we are organizing a lot of competitions like a hackathon, coding challenges, etc. here we are teaching our juniours various topics for ex:- I teach "full stack web devlopment" .so as a member of we Code club my responsibility is always be in touch with our members and discusses upcoming program, class and also if I am teaching something and then try to teach in a very easy manner so that everyone can understand the problem and their solution.

- **HEAD BOY OF MY SCHOOL :-** there were many houses in our school. I was the captain of my house. That's why it was my responsibility to listen to the problems of all my house members and try to find their solutions. Taking your house forward when there is any new competition. And always stand by your house members.
